Dear Sir:

**EXAMINER INTERVIEW SUMMARY**

On March 4, 2005, the Examiner and the Applicants' Representative, John M. Rariden, Reg. No. 54,388, held a telephonic interview to discuss a typographical error in claim 15. During this telephonic interview, the parties agreed that a typographical error existed in claim 15, line 11, which incorrectly recited "releasing the removal arm and the am arm..." Therefore, the parties agreed to correct this typographical error by an Examiner's Amendment, which would recite "releasing the removal arm and the cam ~~am~~ arm..." Finally, the parties agreed that this Examiner's Amendment would place the application in condition for allowance. Subsequently, on March 9, 2005, an Examiner's Amendment was mailed along with a Notice of Allowability and a Notice of Allowance and Fee(s) Due. This Examiner's Amendment corrected claim 15 as discussed above.

Respectfully submitted,

Date: April 4, 2005
